Dear friends,

We're writing today to let you know that we've just returned to American Samoa from completing a very productive mission trip to Guadalcanal, Solomon Islands. It was a joy for Austin and me to labor together with team members Clyde Jacques, Travis Quertermous, John Willingham, Brian Willingham, Dennis Tindall, and David Banks.

Each of these men diligently worked daily to lead others to the Lord, and to help the Christians living in this fruitful field to grow stronger in the faith. The church was indeed strengthened and much seed was also sown among new friends who devoted themselves to searching the Scriptures together with us. We thank God for this increase, as well as 7 more precious people that were baptized into Christ! There's more good news, which we are excited about sharing with you in a few days. For now, please know that we sincerely appreciate your prayers, as well as your letters and emails that have encouraged us each step of the way on this journey.

Laborers for the Cause of Christ,

Randy & Austin English
